RE: Build Kansas Fund Application # 2025-146-GPDI **AMENDMENT**

Date: May 6, 2026

---

The purpose of this budget amendment memo is to provide an update on Build Kansas Fund (BKF) Application 2025-146-GPDI from Kearny County. This amendment pertains to the federal request amount (funding unlocked) and commitment of a local match.

## Project Overview

Kearny County originally applied for Build Kansas Funds in the amount of \$10,524.00. for the Federal Airport Infrastructure Grant (AIG) Program. Their BKF application was approved by the Steering Committee on June 25, 2025, and the Build Kansas Advisory Committee on July 22, 2025. However, the county was awarded more in Federal funds than applied for, \$315,713.00, resulting in the need to request an amended Build Kansas Fund award of \$16,616.47 to meet the 20% match requirement. In addition, Kearny County has proportionally increased their local match contribution amount to satisfy the recommended 5% local contribution.

The new budget table for this application is as follows:

Source	Amount
BIL Federal Funds (awarded)	\$315,713.00
Build Kansas Funds (non-federal match)	\$16,616.47
Local Contribution	\$830.82
<b>TOTAL PROJECT COST</b>	<b>\$313,160.29</b>
