RE: Build Kansas Fund Application # 2024-012-NCRPC **AMENDMENT**

Date: May 6, 2026

---

The purpose of this budget amendment memo is to provide an update on Build Kansas Fund (BKF) Application 2024-012-NCRPC from the City of Concordia. This amendment pertains to the federal request amount (funding unlocked) and commitment of a local match.

## Project Overview

The City of Concordia originally applied for Build Kansas Funds in the amount of \$12,555.00 for the Airport Infrastructure Grant (AIG) Program. Their BKF application was approved by the Steering Committee on February 7, 2024, and the Build Kansas Advisory Committee on March 14, 2024. However, the county was awarded less in Federal funds than applied for, \$108,000.00, thus lowering their BKF award amount to \$5,684.00.

The new budget table for this application is as follows:

Source	Amount
IJJA Federal Funds (awarded)	\$108,000.00
Build Kansas Funds (non-federal match)	\$5,684.00
Local Contribution	\$0.00
<b>TOTAL PROJECT COST</b>	<b>\$113,684.00</b>
