RE: Build Kansas Fund Application # 2025-152-NoEDD **AMENDMENT**

Date: May 6, 2026

The purpose of this budget amendment memo is to provide an update on Build Kansas Fund (BKF) Application 2025-152-NoEDD from the City of Valley Falls. This amendment pertains to the federal request amount (funding unlocked) and commitment of a local match.

Project Overview

The City of Valley Falls originally applied for Build Kansas Funds in the amount of \$1,615,000.00 for the Federal Safe Streets and Roads for All (SS4A) Program. Their BKF application was approved by the Steering Committee on June 25, 2025, and the Build Kansas Advisory Committee on July 22, 2025. However, the county was awarded less in Federal funds than applied for, \$56,000.00, thus lowering their BKF award amount to \$13,300.00.

The new budget table for this application is as follows:

Source	Amount
BIL Federal Funds (awarded)	\$56,000.00
Build Kansas Funds (non-federal match)	\$13,300.00
Local Contribution	\$700.00
TOTAL PROJECT COST	\$70,000.00
